MOTION TO WITHDRAW MOTION TO
AMEND CONDITIONS OF RELEASE

The defendant James Reid moves to withdraw his previously filed motion to amend his conditions of release. As grounds for this motion, counsel states that Reid's motion was premised largely on the assent of the Pretrial Services Agency to the proposed plan. After Reid's motion was filed, counsel learned that Pretrial Services had objections to the plan and had withdrawn its assent to the proposed changes to his release conditions. Under these changed circumstances, defense counsel feels it is prudent to withdraw this motion at present.

Respectfully submitted,
JAMES REID
